## POOL RULES

### Opening Hours

The pool is open until 8:00 PM and is for the exclusive use of staying guests. Minors must be accompanied. Please respect the relaxation of all guests.

### Sunbeds and Umbrellas

We have arranged the sunbeds and umbrellas for an orderly appearance and at the right distance to ensure total relaxation and privacy. Please respect the arrangement of the umbrellas and sunbeds.

### Pool Towels and Bag

In your room, you will find a pool bag with a towel for each person. As a small gesture of love for the environment, we encourage you to reuse it. If you wish for a clean one, please leave it at the reception, and we will provide you with a new towel. Do you like the bag? It is available for purchase at the reception!

### Food Served on the Terrace

Please do not consume food on the lawn or around the pool. Food and snacks are served on the terrace, and once ready, we will call you.

### Drinks and Glass

Our team is at your disposal to fulfill all your wishes. The bar service in the pool area uses biodegradable and recyclable materials. Please refrain from using your own drinks in the common areas and from bringing glass items into the pool for your safety.

### No Diving and Pool Wall

Diving is strictly prohibited. There are steps inside the pool. Running or walking on the pool's outer wall is also prohibited. The pool depth is only 1.39 meters.

### Splashing, Mats, Inflatables, and Toys

To ensure relaxation and sufficient space for all guests, we kindly ask you not to splash and not to use bulky items in the pool. To avoid losing small items in the pool covering, and thus damaging its functionality, please do not bring small toys or various items into the pool.

### Responsibility

The hotel assumes no responsibility for accidents, damages, injuries, or other events that may occur in the pool area or other parts of the property, including but not limited to slips, falls, negligent behavior, or intentional actions by guests. Guests are required to adhere to safety regulations and use the facilities at their own risk.
